CNI-XINYUAN RUBBER PRODUCTS CO., LTD

New Printing blanket factory in Haimen-Nantong Jiang Su, China

南通信源橡胶制品有限公司

CNI-XINYUAN

AIRDOT® is an well established brand of offset printing blanket produced by CNI GRAPHICS. Established in 1994, the company for 16 years has the know-how and experience to enable us to offer premium materials for the printing industry. Recently in April 2010 CNI GRAPHICS set up the new company CNI-XINYUAN to produce printing blankets in top quality for web and sheet presses. The new plant in Haimen has developed premium web and sheet press blanket with special raw materials from Europe and Japan. We take advantage of Swiss quality true Markus Helber Senior President and Japanese technology to produces superior quality in our products. Mr. Zhan Yulian, the factory director has a very long experience in manufacturing premium Japanes style blankets.

CNI-XINYUAN has up to 150,000 m2 capacity with multiple roll widths up to 1650mm.

We are strategically located around the globe, which allows us fast and efficient customer and technical service. Our international locations are in Hongkong/Shanghai China, Switzerland - Germany in Europe, Los Angeles-USA, Mexico, South and Central America.

Our mission is to continuously develop the most advanced high quality products of value for businesses and consumers, by working together as one team with our customers in a spirits of trust, mutual understanding and innovation.

CNI-XINYUAN an opportunity to establish a strong presence in the blanket market.
